THE DETAILS

Annual Maintenance Fee - Cancel Anytime

We will provide you with the update service on the annual anniversary of the completion of our services for you, for a single low annual fee. You can cancel anytime but fees paid are non refundable for any unused part of a year.

We will send you an invoice at the beginning of each anniversary year containing the new annual fee. You then have the opportunity to **opt out** if you wish .

If you opt out from the update service, you will no longer receive updates to your system and they will become out of date. You will need to be responsible for keeping them current.

\$800* Per Annum

No SPAM and Information Security Promise

We have no interest in spamming you, nor in using our time to write things that are not important for you to know. We know that our relationship with our clients means that when they need something, they will be in touch. If we send you something, it's important.

We also have no interest in passing on your contact information to anyone - unless you want us to for a business lead, which we would think you would welcome.

Group Think = leads, connections & concept application

We can only provide this service at such a low price en masse, but this benefits you too.

Imagine having access to training sessions, where all sorts of different types of companies were trying to tackle new changes and that you were able to bounce off one another without giving company secrets away. The group questions and learning creates meaningful connections and sometimes even sales leads.

Our training and events will always consider the best way to get to as many people as possible and make it interactive - so that you may think of new ways to solve your problems.

We guarantee to never be boring

We have a knack for presenting the complicated in a simple way and to help you understand how to implement change. And we promise to keep doing this in our unique style - keeping you entertained in the process

International supply chains, international presence

We have a consultant in China fluent in Mandarin Chinese who can trace your supply chains and staff fluent in French to assist with supply chains from Europe. Our Principal also speaks Japanese.

If we don't have the language here, we know people all over the world - just ask.

*the annual maintenance fee and update service will be adjusted from time to time. The fee is influenced by costs, the number of things changing and the number of subscribers. Our goal is to keep this annual fee low and we will endeavour to do so in order to reflect value for money. If you unsubscribe or fail to pay an invoice, then any consequences of this action are your responsibility.

**we rely upon being informed by clients following audit, conferences with certification bodies and scheme owners and actively monitor legislative changes that may affect our clients. We cannot guarantee that every change will be addressed in a timely fashion to suit you, however will endeavour to be as expeditious as possible to notify you of changes that may affect you. In this notification, we will send you out email bulletins with links or attachments that you are required to incorporate or action. You are responsible for keeping your contact details up to date with us and for receiving and implementing those changes expeditiously so as to avoid non conformances.
